## Home Page Queue Performance

We have made some updates to improve the load time performance of queues on the Home page that have a lot of items in the queue.

## Salary Type Drop Down

We added the salary/income type fields to the Applicant page of AMS. Previously these fields only existed on the dealer portals. Now these fields appear in AMS and will retain the values input by the dealers on the dealer portal.

## Structure Tab - Remove Products Checkbox

We corrected an issue on the Structure tab of AMS where the “remove” checkbox for Back-End Products was not working. Now it correctly removes the selected product.
