## Decimal Rounding Issue

We have corrected an issue that was causing application submissions to United Auto Credit (UAC) to fail when income was entered as annual income instead of monthly income. Now users can enter income as annual income and the submission to UAC will succeed.

## Grow Financial Federal Credit Union - Expanded Territory

We have expanded the lending area for GROW to include the entire state of Florida. Previously, there was a loan application filter rule that limited the lending area to 8 counties within Florida. We have removed the Lending Area application filter so that the whole state of Florida is now available.

For out of state deals, GatewayOne requires either i). The title application for the state of the buyer OR ii). Guarantee of Title Form. We added the Guarantee of Title form to the Admin Console and we added a new STIP for GatewayOne that will print on the funding checklist on GatewayOne deals.
