

Getting Started with AppOne and First Internet Bank

Signing up with AppOne is easy.

- Go to <http://www.appone.net> and click the [Sign up to be an AppOne Dealer](#) link.
- Complete our easy sign-up form
- You will need your Dealer ID number from First Internet Bank.

Set up your First Internet Bank program

- First Internet Bank has lending programs for your collateral types:
 - First Internet Bank of Indiana - AUTO (for autos).
 - First Internet Bank of Indiana - HT (for trailers)
 - First Internet Bank of Indiana - MC (for motorcycles)
 - First Internet Bank of Indiana - RV (for recreational vehicles)
- Enable your lending program on **My Lenders** page of the **Admin Console** tab.
- Check that your collateral shows in the **Collateral Type** list at the top of the page.
- Check the box in the **Select** column to enable a First Internet Bank program for your dealership.
- Enter your First Internet Bank **Dealer ID** in the **LenderDealerID** column.

You're ready to start a deal

- Click on **New Deal** on the Home Page
- Use the **Customer** tab to enter personal, residence, and employment information for the buyer.
- Use the **Credit Bureau** tab to pull and print credit reports.
- Use the **Collateral** tab to verify or fill in information for your collateral.
- Use the **Structure** tab to enter itemization, fee, and other information. Add back-end products.
- Use the **Lenders** tab to select lenders and submit the deal. AppOne gives you the ability to submit electronically to integrated lenders and to fax apps to all other lenders.
- Use the **Forms** tab to print forms with the click of a button.

Notes:

Complete, compliant First Internet Bank documents are available for you right away. Get your free trial to print compliant forms for your non-AppOne lenders.

- Use the **E-Files** tab to upload deal slips immediately.
