

Printing Credit Applications for Ally

Do not use the Print Credit Application button for Ally deals

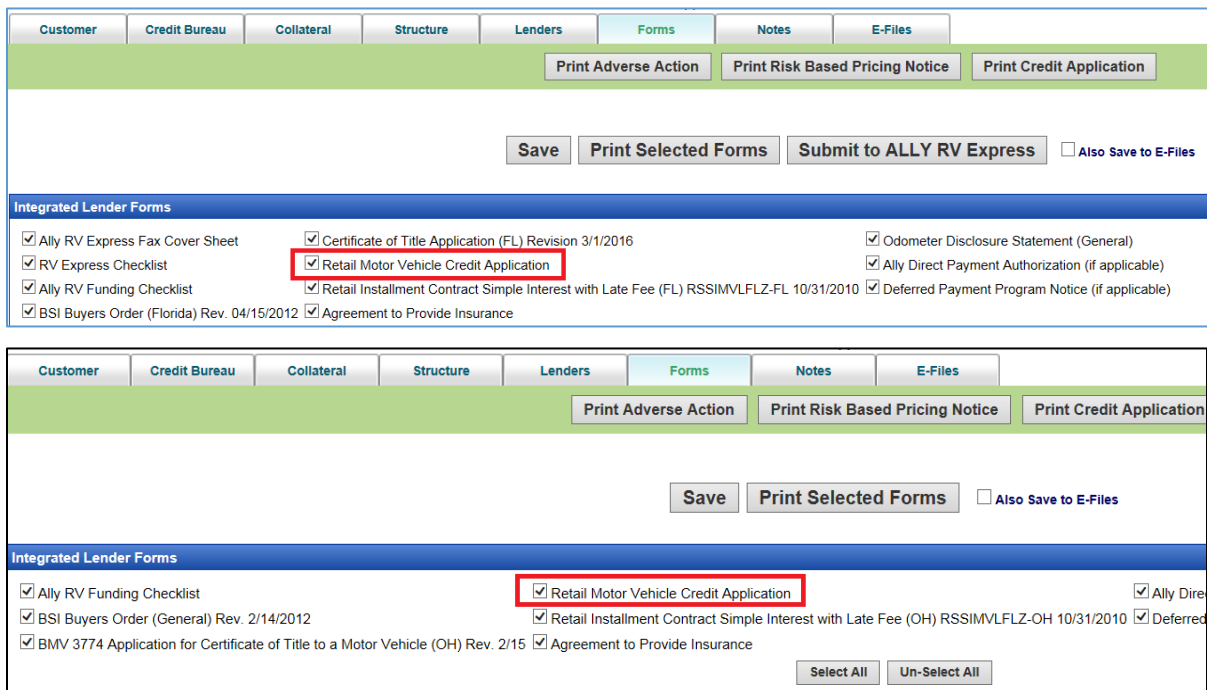

The AppOne Customer, Collateral, and Forms tabs include a **Print Credit Application** button. For both Ally regular RV and Ally Express programs, do not use this button to print credit applications. The **Print Credit Application** button prints a general credit application for all types of collateral and does not meet Ally requirements for motor vehicles.

The screenshot shows the AppOne interface with tabs: Customer, Credit Bureau, Collateral, Structure, Lenders, Forms, Notes, and E-Files. The 'Print Credit Application' button is highlighted with a red X. Below the tabs, there is a 'Cash Deal' section with 'Application Type: 1 Individual'. The 'Applicant #1 - Personal Information (MUST MATCH DRIVER'S LICENSE)' section includes fields for FName (BOBBY), MI, LName (BANKRUPT), Suffix, SSN (***-**-6327), DOB (05/05/1975), Home Phone (472-389-4723), Cell Phone, DL No., and Email. The 'Current Residence Information' section includes Address # (1003), Street (ENRED WAY), Apt #, Zip/City/State (86305 PRESCOTT AZ).

Always print the Retail Motor Vehicle Credit Application for Ally

The **Retail Motor Vehicle Credit Application** is available on the Forms tab in the **Integrated Lender Forms** section. The **Retail Motor Vehicle Credit Application** meets Ally's requirements for a motor vehicle deal. For both Ally regular RV and Ally Express programs, always print the **Retail Motor Vehicle Credit Application**.

The first screenshot shows the 'Forms' tab selected. The 'Print Adverse Action', 'Print Risk Based Pricing Notice', and 'Print Credit Application' buttons are visible. Below the buttons are 'Save', 'Print Selected Forms', and 'Submit to ALLY RV Express' buttons. The 'Integrated Lender Forms' section contains a list of checkboxes, with 'Retail Motor Vehicle Credit Application' highlighted by a red box. The second screenshot shows the same interface, but with 'Print Credit Application' button disabled and 'Print Selected Forms' button enabled. The 'Retail Motor Vehicle Credit Application' checkbox remains highlighted.
