Merrick Bank - Prevent Unlimited Term on VSC

We added a validation rule to prevent dealerships from printing contracts if an unlimited term is set for VSC. The portal displays an error message if a warranty is selected and the **Unlimited?** box (located to the right of the **Coverage Term** field) is checked.

The screenshot shows the AppOne Portal interface for a customer named STACY HENNING. The portal displays a warning message: "The following warnings were found on this form: Code 989: Message: Unlimited Term is not allowed on the Vehicle Service Contract (VSC) for Merrick Bank please uncheck the unlimited term box. Code 988: Message: Term is required on the Vehicle Service Contract (VSC) for Merrick Bank." Below the warning, the total balance due is \$19,372.72, total sales tax amount is \$701.72, and payment is \$358.41. The form is divided into two main sections: Front-End Itemization and Back-End Products. The Front-End Itemization section shows the selling price of \$19,999.00, total selling price of \$19,999.00, trade-in allowance of \$20.00, and net purchase of \$13,620.72. The Back-End Products section shows the Vehicle Service Contract/Warranty with a coverage term of 36 months, a deductible of \$500.00, and a dealer cost of \$995.00. The Unlimited? checkbox is checked, which triggers the warning message. The Merrick Bank section shows a max advance of \$17,277.72, max term of 120 months, buy rate of 9.95%, and max rate of 9.95%. The Estimated Funding section shows a contract amount of \$19,372.72, acquisition fee of \$0.00, products cost of \$0.00, and net amount of \$19,372.72.
