3rd Party Menu System Access Updates

The dealer portal was updated to provide access to third party menu systems from the **Structure** tab. With our 2015.4 release we are initially launching integration with F&I Express. To learn more about F&I Express, please visit the **Vendors** tab of our portal. This access is currently only available to auto dealers. We will add access for other types of dealers in a future update.

Dealer portal ADMIN CONSOLE

The ADMIN CONSOLE 3rd Party Interfaces page was updated to include a **Menu/After-Market Product Provider Systems Interfaces** section:

The screenshot shows the AppOne Portal Admin Console. The top navigation bar includes links for HOME, CREDIT REPORTS, LEADS, VENDORS, ADMIN CONSOLE, SUPPORT, and ANNOUNCEMENTS. The ADMIN CONSOLE section is active, showing a breadcrumb trail: My Leads > My Form Batches > System Defaults > Dealership Info > Manage Users > Reserve Statements > My Info > My Alerts > Online Credit App > 3rd Party Interfaces. The 3rd Party Interfaces section has a checkbox for 'Enable CREDCO'. Below this is a table for 'Menu/After-Market Product Provider Systems' with columns for 'System Name', 'Description', 'System Enabled', and 'Modified'. The table lists three systems: KIS Alpha CRM, Systems 2000, and Everlogic. The 'Menu/After-Market Product Provider Systems' section is highlighted with a red box, showing the F&I Express interface. The F&I Express section has a checkbox for 'Enable F&I Express' and a 'Go to Website' link. A 'Save' button is at the bottom.

When the user checks the **Enable/Disable** box, a third-party provider page opens:

The screenshot shows the F&I Express login page. The page has a blue header with the 'F&I Express' logo. Below the header is a large white box containing the F&I Express logo and the text 'SIMPLIFY YOUR F&I'. Below the logo are two input fields for 'User name' and 'Password', and a 'Login' button. At the bottom of the white box, it says 'Don't have an account? Click [here](#).'

If the dealership has an account with the 3rd party system provider, the user can log in. If not, the user can click the link to sign up.

Dealer Portal Structure tab

The portal **Structure** tab was updated to include a button for each third-party menu system interface the dealer has enabled. Each button shows the name of the corresponding third-party interface.

The screenshot shows the 'AppOne Portal' interface for a customer named MIKE TESTCO. The 'Structure' tab is active, displaying financial summary: Total Balance Due: \$11,106.70, Total Sales Tax Amount: \$1,792.50, and Payment: \$228.68. Below this, the 'Front-End Itemization' table lists items like Selling Price, Trade-in Allowance, and Sales/Other Tax. To the right, the 'Back-End Products' section contains a red-bordered box with the 'F&I Express' button, and checkboxes for 'Vehicle Service Contract' and 'GAP'.

The button launches a pop-up directing the dealer to the 3rd party system website (currently F&I Express). If the no lender is selected, the dealer can use the F&I Express page to get rates but not to finalize products.

The screenshot shows the 'F&I Express' pop-up window titled 'ExpressQuote'. It displays quote details: Quote ID: 1004305, Quote date: 13 December 2015. The 'Customer Information' section shows First Name: OLIVIER and Last Name: TESTCO. The 'Vehicle Information' section includes VIN: 1N6AD07U66C407987, Odometer: 87920, In Service Date: 2014-08-13, Make: NISSAN, Model: FRONTIER CREW C, and Year: 2006. Below, a list of products shows 'Old Republic', 'Penn Warranty', and 'Royal' with a status of 'Processing: 0'. A green 'Add product' button is next to 'Penn Warranty Products'. The footer includes the 'F&I EXPRESS' logo, a '[back to top]' link, and a 'Save/Close' button.

After the dealer has selected a lender, the dealer can use the F&I Express page to get rates and finalize products.

Dealer Portal Forms tab

The Forms tab was updated to provide a way to print forms for back-end products. If the dealer has added F&I Express products, a reminder message appears, for example:

REMINDER: You have added one or more back-end products through F&I Express. [Click here](#) to finalize the deal and print any product specific forms from the F&I Express system.

When the dealer clicks the [Click here](#) link, the F&I Express pop-up opens. The dealer is able to finalize and print documents as described in the *Dealer Portal Structure tab* section.

The screenshot shows the AppOne Portal interface. At the top, there's a navigation bar with links: HOME, CREDIT REPORTS, LENDERS, VENDORS, ADMIN CONSOLE, SUPPORT, and ANNOUNCEMENTS. Below this, a header bar displays 'App ID: 1310730' and 'Customer Name: AIDA CREDCO'. A secondary navigation bar includes tabs: Customer, Credit Bureau, Collateral, Structure, Lenders, Forms (highlighted), Notes, and E-Files BETA. Below the tabs are buttons: 'Print Adverse Action', 'Print Risk Based Pricing Notice', and 'Print Credit Application'. A 'Save' button and a 'Print Selected Forms' button are also present, along with a checkbox for 'Also Save to E-Files BETA'. The main content area is divided into two sections: 'Integrated Lender Forms' and 'Back-End Product Forms'. The 'Integrated Lender Forms' section contains a grid of 12 items, each with a checked checkbox and a label: 'AppOne Funding Package Checklist', 'Retail Installment Contract Simple Interest with Late Fee (LA) RSSIMVFLZ-LA 10/31/2010', 'Retail Motor Vehicle Credit Application', 'BSI - ADDITIONAL INSURANCE AND THIRD PARTY PAYMENT ADDENDUM', 'AppOne Identity Verification Form', 'BSI Buyers Guide (General- English Version)', 'Buyers Guide (General- Spanish Version)', 'Reference Sheet', 'Agreement to Provide Insurance (General)', 'Motor Vehicle Title Application (Louisiana) Rev. 05/31/2012', 'Odometer Disclosure Statement (General)', 'Buyers Order (Louisiana) Rev. 10/31/2010', 'Generic Bookout Sheet', 'Gap Disclosure Form (Louisiana)', and 'CPS Assignment Letter'. Faxed Credit App - Other Income Source

We corrected an issue that caused other income with a source of **Other** to populate as **Unknown** on the Faxed Credit Application. A description field was added to the **Customer** tab following the **Other Income Source** field. When the dealer selects an **Other Income Source** of **other** and enters a description, the description populates the **Source** field on the Faxed Credit Application.
