Trade-in VINs to be required on RMS Deals ..... 1

**Note:**

The update was deployed on April 19, 2016.

## Trade-in VINs to be required on RMS Deals

We updated the **Structure** tab **Trade-in Information** section to make **VIN** a required field for RMS deals. After the update, if the Trade-In boxes are checked and the user clicks **Save** or **Proceed to Next Step**, the system shows an error message and the user is not able to leave the page.

The screenshot displays the AppOne Portal interface for a user named BOBBY BANKRUPT. The 'Structure' tab is active, and an error message is shown: 'Code: 962. Message: You have entered a trade without a VIN. Please add a VIN on the Structure tab.' The form is divided into several sections: Front-End Itemization, Public Officials & Fees, Rate & Terms, Back-End Products, and Trade-In Information. The Trade-In Information section shows the 'Trade-In #1 Information' checkbox checked, but the VIN field is empty, which is the cause of the error.
