# Expere Knowledge Base – Release Notes

TILA RESPA

Date January 2017

Version 2017.1.1

## **Disclaimer**

The contents of this publication, including its appendices, exhibits, and other attachments, as updated or revised, are highly confidential and proprietary to Wolters Kluwer Financial Services, Inc. or its subsidiaries or affiliates ("Wolters Kluwer Financial Services"). This publication is distributed pursuant to a Non-Disclosure Agreement, Evaluation Agreement, License Agreement and/or other similar agreement(s) with Wolters Kluwer Financial Services, Inc. or its subsidiary or affiliate. Unless otherwise specifically provided in such agreement(s), the reproduction of this publication is strictly prohibited. Use and distribution of this publication are also subject to the responsibilities and obligations of such agreement(s), which require confidential treatment of this publication and its contents.

Except only for the warranties (if any) expressly set forth in the agreement(s) under which this publication is provided (i.e., your agreement or license for the described product), this publication is provided "as is", and Wolters Kluwer Financial Services makes no warranty, express, implied, by description, by sample or otherwise, and in particular and without limitation, makes no implied warranties of merchantability or fitness for purpose. No modifications to this Warranty Disclaimer are authorized unless in writing and signed by the President or a Vice President of the Wolters Kluwer Financial Services entity licensing the product described in this publication.

This publication is intended to provide accurate and authoritative information about the subject matter covered based upon information available at the time of publication. Examples given in this publication are for illustrative purposes only.

Development of this publication and the software (including forms, disclosures, reports, and other documents generated by the software) or other products that it describes was based on Wolters Kluwer Financial Services' understanding of various laws, regulations and commentaries. Wolters Kluwer Financial Services cannot and does not guarantee that its understanding is correct.

This publication is not intended, and should not be used, as a substitute for legal, accounting, or other professional advice. Wolters Kluwer Financial Services is not engaged in providing legal, accounting or other professional services. If legal or other professional assistance is required, you should seek the services of a competent professional. We encourage you to seek the advice of your own attorney concerning all legal issues involving the use of this publication and any products described in this publication. If your interpretations or your counsel's interpretations are contrary to those expressed in this publication, you should of course, follow your/your counsel's interpretations.

The following notice is required by law:

**WOLTERS KLUWER FINANCIAL SERVICES'S PRODUCTS AND SERVICES ARE NOT A SUBSTITUTE FOR THE ADVICE OF AN ATTORNEY.**

## **Copyright**

Unless otherwise specifically authorized in the agreement or license under which this publication has been provided, no part of this publication may be posted, played, transmitted, distributed, copied or reproduced in any form or by any means, electronic or mechanical, including photocopying, recording, or retaining on any information storage and retrieval system, without prior written permission from Wolters Kluwer Financial Services.

Requests for permission to reproduce content should be directed to Wolters Kluwer Financial Services Corporate Legal Department, by telephone at 1.800.397.2341.

## **Trademark Rights**

# Release Notes Overview

The Expere Knowledge Base 2017.1.1 TILA RESPA Content Release Notes list new and modified documents with notes for the changes and additions.

## Technology Prerequisites

The following are Expere technology prerequisites that must be implemented prior to use of this release:

- Expere Document Engine Release 2016.3.0
- Expere Content Administration Tool and Content Builder 2016.3.1
- For Authoring: Requirements and Content Editor 2016.3.1
- Expere Data Dictionary Viewer 2016.3.1

### EXPERE TOOLS RELEASE INFORMATION

This section provides a summary of enhancements and modifications made to the Engine and Authoring in the most current release cycle. For detailed information, see the Expere Authoring Release Notes and the Expere Engine and Tools Release Notes.

- **ExpereTxn.xsd included schema files links**

- [ExpereTXNCollections.xsd](#)
- [ExpereTXNElements.xsd](#)
- [ExpereTXNTypes.xsd](#)

Two new included files in the Schemas folder:

- [ExpereTXNSimpleTypes.xsd](#)
- [ExpereTXNSimpleTypesDateTime.xsd](#)

ExpereTXNSimpleTypes.xsd is a new ExpereTxn schema file that contains the basic data type definitions that were formerly defined in ExpereTXNTypes.xsd.

ExpereTXNSimpleTypes.xsd was given a <SimpleTypesVersion>1.0.0</SimpleTypesVersion> element so this file could be versioned independently.

ExpereTXNSimpleTypesDateTime.xsd is version 1.1.0 of ExpereTXNSimpleTypes.xsd that contains the new TxnDate type definition that optionally supports time.

If the desire is to validate dates that optionally include a timestamp, copy and rename ExpereTXNSimpleTypesDateTime.xsd to ExpereTXNSimpleTypes.xsd to use the new 1.1.0 definition for transaction data validation in your LOS system.

## General Information

### CD LAYOUT

The Expere Knowledge Base Residential Lending Content is delivered on a single CD to simplify implementation. The CD has the following structure:

- Dictionary
- Documentation
- Expere Repository
- Outlines
- Tools
- Transactions
- Revision History Data

## About this Document

These release notes describe the documents used for Residential Lending.

## Implementation Notes

Before installing this release of the content, note the following:

- If using DocViewer and the ExpereTxnSimpleTypesDateTime.xsd (version 1.1.0 of the ExpereTxnSimpleTypes.xsd), they require the version of DocViewer that was released with Expere Engine 2015.2.0.

## Release Information

### PREVIOUSLY DELIVERED CHANGES

- None

### STYLESHEET UPDATES

The following updates were applied to the Expere style sheet and associated XSL files since the previous release.

- None

### DOCUMENTATION OF TAGLINE AND METADATA CHANGES

Effective 5/1/2016, simple and reoccurring changes to document taglines or metadata will no longer be documented in these release notes. Below are some examples of the changes that will no longer be documented:

#### 1) Control Date Update

Example: Updating the tagline date from “12/15” to “04/16”

#### 2) Copyright Year Update

Example: Listing a single copyright year of “2013” instead of the previous “1988, 2013”

#### 3) Adding Bankers Systems™ To Existing Tagline

Example: Updating the tagline from “VMP®” to “Bankers Systems™ VMP®”

Please note that the above are just samples of a few variations of updates that can occur to the tagline and metadata. These examples are not intended to be an extensive directory of all changes that can be made to the metadata; rather they are intended as examples of some of the tagline and metadata updates that will no longer be included in our release notes. Please see the corresponding work item and/or the requirements file for specific changes made to the tagline and metadata fields.

### EXPLANATION OF ‘TYPE OF CHANGE’ FIELD

Release notes in this document are categorized by the document’s type of change. This section provides an explanation of the category options for this ‘Type of Change’ field.

- Regulatory Compliance: Document contains a normal compliance update that is the result of change in applicable law, a change to a model government document, or a revision to agency or government guidelines.
- Defect-Compliance: Document was revised to bring it into compliance with applicable law or agency or government guidelines.
- Defect-Contractual: Document was revised to ensure that the lender has an enforceable contract.
- Defect-Technical: Document was revised to correct a defect that is not compliance or contractual (i.e. corrected a typo or replaced a deprecated path.)
- Enhancement: Document contains a new feature or customer-requested change was made to existing content.
- New Form: A form was added to the repository.
- Deleted Form: A form removed from the repository.

# TILA RESPA (TRID TXN)

## New Document

### DYNAMIC REQUIREMENTS
